

INSTRUCTIONS FOR SUBMISSION OF VIDEOS

VIDEO SUBMISSIONS

The International Braz J Urol accepts Video Clips submissions for placement on the Journal web site (Video Library). All videos are subject to peer review. Video files must be compressed to the smallest possible size that still allows for high resolution and quality presentation. File size limitation is intended to ensure that end-users are able to download and view files in a reasonable time frame. If files exceed the specified size limitation, they will not be posted to the web site and returned to the author for resubmission.

Abstract

A structured Abstract, with no more than 250 words, containing Title of the Video, Authors, Authors Affiliations, Corresponding Author Address and E-mail, must be provided with each video.

Video Uploading Directions

In **section 6** File Upload "**choose file**" to begin the uploading process. Choose *Supplemental File for Review* option and click continue

Accept formats include:

MPEG2, AVI, WMV, FLV or MOV format. All files must be smaller than 80 mb and **no longer than 8 minutes duration**.

Note

Recent issues of the International Braz J Urol must be observed concerning the presentation form of the videos.

Follow steps 1-7 for proper submission of your video

Upload as many files as needed for your manuscript in groups of three or fewer. These files will be combined into a single PDF document for the peer review process. Files that are part of a TeX/LaTeX document should be designated as a "TeX/LaTeX Suppl File." If you are submitting a revision, please include only the latest set of files. **If you have updated a file, please delete the original version and upload the revised file.** To designate the order in which your files appear, use the dropdowns in the "order" column below. View your uploaded files by clicking on HTML or PDF. When you are finished, click "Next." [Read More...](#)
